

DOG WHISPERER With Cesar Millan

From violent Chihuahuas to neurotic Great Danes, from paranoid Poodles to bullish Boxers, from malcontent Mastiffs to rowdy Retrievers, dogs are not always man's best friend. Thankfully, help is at hand in the form of world renowned dog whisperer **Cesar Millan**, the man who can turn even the most aggressive, disturbed and difficult canine into a loving, obedient friend.

Now, with the release of ***Dog Whisperer With Cesar Millan The Complete First Season*** all of his greatest triumphs from the first season of his smash hit show on Sky TV are available to own on DVD, which will come bounding onto DVD courtesy of DNC Entertainment on 6 April 2009.

Cesar Millan is a world renowned dog behaviour expert, best selling author and has become a major U.S. celebrity having appeared and been featured on *Oprah*, *Ghost Whisperer*, *South Park*, *Saturday Night Live*, *The Tonight Show With Jay Leno* and *The Today Show*. The Dog Whisperer is now syndicated around the world.

His books on dog training have been so successful they have been included in The New York Times Best Sellers list and are equally successful in the U.K. with Nintendo releasing a Cesar Millan computer game last Autumn. He also has a huge list of celebrity clients, including **Will Smith**, **Hilary Duff**, **Vin Diesel**, **Nicolas Cage**, **Scarlett Johansson** and **Ridley Scott**.

Key to Cesar's amazing rehabilitations of aggressive, scared, lazy, compulsive and jealous dogs are dog owners themselves, whose own behaviour often contributes to the dog's quirky traits.

In the show he enters the homes of dog owning members of the public without any prior knowledge of the case and documents the remarkable transformations that take place under his calm but assertive guidance, as he 'rehabilitates dogs and trains people'.

The stunning Season One box set contains all 26 episodes on three discs, plus a bonus disc of outtakes, doggie auditions and never before seen segments.
